Dear Partners,

Great news! You will now be able to order your Green Gables Heritage Place and National Park passes through Maritime Fun Group.

We can start taking orders for Parks Canada vouchers as of Monday, May 27. We will be delivering the printed vouchers by Monday, June 10.

The following passes will be available:

- Daily Passes to PEI National Park for adults, seniors and family/groups
- Daily Passes to Green Gables Heritage Place for adults, seniors and family/groups
- 7-Day Passes to both PEI National Park & Green Gables Heritage Place for adults and seniors
- 7-Day Passes to PEI National Park for family/groups

This is the procedure that we anticipate from start to finish:

1. Accommodation provider will purchase vouchers from Maritime Fun Group at a 10% discount.
2. Operator sells voucher to guest at their establishment for regular price.
3. Guest presents voucher on their first entry to PEI National Park or Green Gables Heritage Place.
4. Attendant scans bar code and enters the voucher into the POS.
5. Attendant exchanges the voucher for a valid permit, according to the pass type indicated on the voucher.
6. If a 7-day pass, dates are entered on the front of the permit.
7. Valid permit is provided to the visitor, with instructions to place the permit in the window of the vehicle (day pass) or hang it from the rear-view mirror (7-day pass).
