Our region is the gallery and studio district of PEI with thousands of treasures,

new and old, to be found. Many artists may be observed at work and some even

extend an invitation to participate in hands-on learning experiences. You'll meet

new friends, soak up Island history, and learn about a variety of artforms all while

searching for that perfect piece of art to take home.

# **EVERYTHING TO LOVE ABOUT THE OUTDOORS**

The undisputed star of the show on The Central Coastal Drive is the scenery. Around every bend you'll see blue waters, green fields and red roads that will live in your memory for a lifetime. The only question is, how will you explore: on the water, on the road, on a daytrip or on an overnight camping stay?

# INDIGENOUS CULTURE AND EXPERIENCES ON PEI

Prince Edward Island is a land rich in Indigenous history and culture. Visitors to the Island can explore Mi'kmaq First Nation traditions and way of life through a variety of experiences. The Prince Edward Island National Park and the Skmagn—Port-la-Joye—Fort Amherst National Historic Site are two locations where visitors can learn about the history and traditions of the Indigenous people in the summer months.

Additionally, the island is home to many Indigenous artisans and artists who showcase their work in galleries and markets, such as the Charlottetown Farmers' Market. The best resource to get up to date information is the Indigenous Tourism Association of PEI. www.indigenouspei.ca parks.canada.ca/skmaqn

Lobster suppers, beef and PEI potatoes, bakeries filled with fresh bread and incredible desserts...we have it all. And even better? Each meal you enjoy is made with ingredients that were caught, raised, harvested, and produced in our own backyard.
