EVERYTHING TO LOVE ABOUT THE OUTDOORS

The undisputed star of the show on The Central Coastal Drive is the scenery. Around every bend you'll see blue waters, green fields and red roads that will live in your memory for a lifetime. The only question is, how will you explore: on the water, on the road, on a daytrip or on an overnight camping stay?

INDIGENOUS CULTURE AND EXPERIENCES ON PEI

Prince Edward Island is a land rich in Indigenous history and culture. Visitors to the Island can explore Mi'kmaq First Nation traditions and way of life through a variety of experiences. The Prince Edward Island National Park and the Skmaqn—Port-la-Joye—Fort Amherst National Historic Site are two locations where visitors can learn about the history and traditions of the Indigenous people in the summer months.

Additionally, the island is home to many Indigenous artisans and artists who showcase their work in galleries and markets, such as the Charlottetown Farmers' Market. The best resource to get up to date information is the Indigenous Tourism Association of PEI. [www.indigenouspei.ca](#) [parks.canada.ca/skmaqn](#)

Lobster suppers, beef and PEI potatoes, bakeries filled with fresh bread and incredible desserts...we have it all. And even better? Each meal you enjoy is made with ingredients that were caught, raised, harvested, and produced in our own backyard.

WONDERFUL PLACES TO WANDER

Victoria-By-the-Sea

The picture-perfect Village of Victoria has been welcoming visitors to our Red Sands Shore since the Harland Ferry docked there in the 1900s. Today it continues to thrive as a community filled with art, antiques, theatre, fresh local food, shops, and lovely architecture.

New Glasgow

The village sits nestled beside the River Clyde and is home to PEI's famous lobster supper traditions, the PEI Preserve Company, the Gardens of Hope and a beautiful restaurant in the historic Glasgow Mill. All surrounded by views that many say appear too beautiful to be real.

Rustico

Rustico is one of Prince Edward Island's most historically and architecturally rich communities as the oldest Acadian settlement in PEI. Visitors will see numerous landmarks which serve as a legacy of the past and commemorate the determination and ingenuity of the Acadians: The Farmers' Bank, The Doucet House, St. Augustine's Church, The Pioneer Cemetery, Barachois Inn.

New London

Best known as the place where famous Island author L.M. Montgomery was born. This tiny community is rich in culture, heritage, and culinary like The Table. Nearby tea rooms, restaurants, and fields of wildflowers complete this idyllic picture.

Bonshaw

Home to two of our beautiful provincial parks and some of the best beginner hiking trails on the Island. Bonshaw's rolling hills and pastures are the perfect destination to base your stay while exploring the rest of the Central Coastal Drive.

North Rustico

With its lovely boardwalk and lively wharves, there is much to see and do in this vibrant, colourful place. Choose from a wide variety of dining options which feature incredible fresh seafood but also cater to all kinds of other palates. July 1st, Canada Day is really something special here, and if you're visiting close to Christmas, the light show in this community is pure magic.

Kensington

The town of Kensington sits at a crossroad in the heart of PEI where you'll find the beautiful stone railway station which is now a National Historic Site. Kensington is an important hub for those in surrounding communities and offers all the basic services of a small bustling town.

Cornwall

Cornwall is a hub of activity and the perfect place for visitors to stock up on all the necessities. There are many places to stay and eat in the area, ideal for their central locations and convenience. If in need of a treat, head over to the COWS Creamery and Anne of Green Gables Chocolates, or grab a pint at Lone Oak Brew Pub.

The Cavendish Coast

In the very heart of Prince Edward Island's Green Gables Shore resort region lies much of the spectacular PEI National Park and our Island's most famous beaches. Cavendish is the undisputed capital of family fun and the story-book home of Anne of Green Gables - history meets natural beauty meets fun and adventure.

Borden-Carleton

The link to New Brunswick. Borden-Carleton is home to Gateway Village, a strip of retail and restaurants to make the beginning or end of your PEI visit memorable. Also, Borden-Carleton has an amazing park, The Marine Rail Park, at the foot of the Confederation Bridge where you can get that perfect photo-op.

EVERYTHING TO LOVE ABOUT PLACES TO STAY

Your home away from home awaits! Our region's cottages, B&Bs and hotels are where you can relax and recharge after days full of fun and adventure. If you're looking for a heritage home rich in history, a family-oriented property with lots of space to roam around, or a more traditional hotel option with modern amenities, you'll be able to find an accommodation that is perfect for you.

LES ATTRAITS DU PLEIN-AIR

Le clou indéniable du spectacle sur le Circuit côtier du centre est le paysage. À chaque détour, vous verrez les eaux bleues, les champs verdoyants et les chemins de terre rouge que vous n'oublierez jamais. La seule question est comment les explorer : par la mer, par la terre, en excursion d'un jour ou par une nuit de camping?

CULTURE ET EXPÉRIENCES AUTOCHTONES DANS L'Î.-P.-É.

L'Île-du-Prince-Édouard regorge d'histoire et de culture autochtone. Les visiteurs peuvent explorer les traditions et le mode de vie de la Première nation Mi'kmaq grâce à des expériences variées. Le parc national de l'Île-du-Prince-Édouard et le parc national Skmaqn, Fort Amherst, Port La Joye sont deux endroits où les visiteurs peuvent se renseigner sur l'histoire et les traditions des peuples autochtones pendant les mois d'été.

De plus, l'île compte de nombreux artisans et artistes autochtones qui présentent leurs œuvres dans les galeries et marchés, comme au Charlottetown Farmers' Market. La meilleure ressource pour se tenir à jour à ce sujet est la Indigenous Tourism Association of PEI. www.indigenouspei.ca

Soupers de homard, bœuf et pommes de terre de l'Île, boulangeries au pain frais et aux desserts incroyables... nous avons de tout pour tous. Et encore mieux : chacun de vos repas est préparé avec des ingrédients que nous avons capturés, élevés, récoltés et produits ici-même, chez nous.

ENDROITS MERVEILLEUX À VISITER

Victoria-By-the-Sea

Le pittoresque village de Victoria accueille des visiteurs depuis la venue du traversier Harland au début du 20^e siècle. L'endroit prospère encore aujourd'hui avec ses œuvres d'art, ses antiquités, son théâtre, ses aliments locaux frais, ses boutiques et son adorable architecture.

New Glasgow

Ce village est niché près de la rivière Clyde et offre les traditionnels soupers de homard qui font la renommée de l'I.-P.-É. la PEI Preserve Company, les Gardens of Hope et un magnifique restaurant dans le moulin historique Glasgow Mill. Le tout est entouré de points de vue qui semblent trop beaux pour être vrais.

Rustico

Rustico est une des localités les plus riches en histoire et en architecture de toute l'Île-du-Prince-Édouard. C'est le plus ancien établissement acadien de l'I.-P.-É. Les visiteurs peuvent y voir de nombreux témoignages du passé, de la détermination et de l'ingénuité des Acadiens : la Banque des fermiers, la Maison Doucet, l'église Sainte-Augustine, le cimetière des pionniers et le Barachois Inn.

New London

Mieux connue comme lieu de naissance de la célèbre auteure Insulaire L.M. Montgomery, cette minuscule localité est riche en culture, en patrimoine et en cuisine, comme chez The Table. Les salons de thé des environs, les restaurants et les champs de fleurs sauvages complètent ce tableau idyllique.

Bonshaw

Vous y trouverez deux de nos magnifiques parcs provinciaux et certains des meilleurs sentiers faciles de toute l'Île. Les collines ondoyantes et les pâturages de Bonshaw sont la destination parfaite pour un séjour d'exploration du reste du circuit côtier du centre.

North Rustico

Avec sa belle promenade et ses quais animés, cet endroit dynamique et coloré offre beaucoup d'attraits. Choisissez parmi une variété de restaurants proposant des fruits de mer irrésistibles convenant à tous les goûts. Le 1^{er} juillet, la Fête du Canada est vraiment célébrée en grand ici. Si vous visitez au temps des fêtes, le spectacle des lumières de cette communauté est simplement magique.

Kensington

La ville de Kensington se trouve à un carrefour, au cœur de l'I.-P.-É. Vous y verrez la magnifique gare de pierre « Boulder » qui est maintenant lieu historique national. Kensington est une importante plaque tournante pour les communautés environnantes et elle offre les services de base d'une petite ville prospère.

Cornwall

Cornwall est un pôle d'activité et l'endroit idéal pour l'approvisionnement des visiteurs en articles essentiels. On y trouve plusieurs endroits centraux et pratiques où s'héberger et manger. Pour une collation, rendez-vous chez COWS Creamery et Anne of Green Gables Chocolate, ou prenez une pinte au Lone Oak Brew Pub.

The Cavendish Coast

Au cœur même de la côte des pignons verts de l'Île-du-Prince-Édouard, on retrouve le spectaculaire parc national de l'I.-P.-É. et une des plus célèbres plages de toute l'Île. Cavendish est sans contredit la capitale du plaisir en famille, avec la maison légendaire d'Anne, la Maison aux pignons verts. Histoire, beauté naturelle, plaisir et aventure, le tout dans un même endroit!

Borden-Carleton

Le lien vers le Nouveau-Brunswick. C'est à Borden-Carleton que se trouve Gateway Village, un ensemble de boutiques et de restaurants qui commence ou termine votre séjour mémorable dans l'I.-P.-É. Borden-Carleton compte un magnifique parc au pied du pont de la Confédération, où vous pourrez prendre de magnifiques photos.

LES ATTRAITS D'ANNE

Pour les amoureux d'Anne Shirley, le circuit côtier du centre est en quelque sorte le centre de l'univers. Vous trouverez ici la source d'inspiration de sa créatrice insulaire, Lucy Maud Montgomery. À l'endroit même où elle décrivait la scène dans ses mots, vous découvrirez le plaisir en famille, des artefacts étonnants, du théâtre de calibre mondial et des paysages à couper le souffle qui célèbrent l'esprit de notre Anne adorée et de sa célèbre auteure.
